

KEEPING YOU ON TRACK.

FKM ZGW PACKABLE TRACK WAGON with dead man's brake (ZGW-B)

A safe and practical way to transport your tools, equipment and materials.

It can also be used as a rescue wagon in the event of emergencies. The transport wagon ZGW-B combines safety and convenience while meeting all your individual requirements and offering an extra-large loading surface with very compact stowing dimensions.

Quick and easy setup

Packs to compact size

ADVANTAGES

- > Very large loading surface / packs to compact size
- > Tool-free setup
